SOLVING QUADRATICS

Factored Form
1. Zero Product Property
2. Graphing

Standard Form
w/out "bx" term
1. Square Roots
2. Quadratic Formula
3. Graphing
4. Factoring/Zero Product Property

Standard Form
with "bx" term
1. Quadratic Formula
2. Graphing
3. Factoring/Zero Product Property

Vertex Form
1. Square Roots
2. Graphing

The bolded option indicates the BEST method of solving.
BEST = Method can be used to solve every time in that form.
